

Addendum #1

RFP No.: C-24-101A

Issue Date: 02/15/2024

Project: Manufacturer of GMP pellets containing antiviral and/or hormonal compound

This addendum provides the following Offeror Questions and Answers:

1. Is it required for proposals to include scopes for both antiviral and hormonal compounds?

It is not required for offerors to submit proposals covering scopes for both antiviral **and** hormonal compounds. If only equipped to perform the desired services for one compound, offerors may submit proposals as such.

Refer to RFP Section 12-B.

Note: A signed acknowledgement of this addendum must be attached to your proposal. Signature on this addendum does not substitute for signature on the original proposal document. The original proposal document must be signed where indicated.
