

Amendment #1

Issue Date: September 2, 2022
Project: RFP EVMSCAMERAEMERGENCY23-101

This amendment provides the following revisions to the RFP:

1. Section 3.0(D) is amended to read as follows:

D. Hague Club Apartments (HCA)

The contractor shall provide, install and integrate eight new IP cameras and two Aiphone call boxes, using the available internet connection and networking switch, and following the provided layout.

- *Two cameras and two call boxes attached to the parking lot light poles, will be wirelessly connected with the HCA main office and powered from the poles. The contractor shall provide transformers to deliver 24V DC power to these cameras and call boxes.*
 - *Six cameras will be installed on the exterior sides of the building and POE with CAT6 cabling to HCA main office. The contractor shall provide estimates for 2 installation options as follows:*
 - *Cameras mounted on poles*
The contractor shall provide and install 5 poles (10 feet tall) on the sides of the complex to be used for cameras. The poles shall be connected with the main (leasing) office with underground conduits (2 inch) for CAT6 cabling. Camera #5 will be attached to the corner of the main office (not on pole).
 - *Cameras mounted on the walls*
The contractor shall install the cameras on the walls using CAT6 cabling under the wall vinyl siding and underground conduits (2 inch) to connect the cameras with HCA main office. Camera #5 attached to the corner of the main office doesn't need underground conduit.
 - *For evaluation, the contractor shall provide detailed information concerning the installation process and pictures of proposed cameras and mounting hardware.*
2. Attachment I – Floor Plans pertaining to Hague Club Apartments have been updated to reflect the revised SOW and are enclosed herein.
