

Addendum 1

Q&A:

- 1) The web site says due date is 6/7 but the RFP says 6/11. Is the 6/7 date referring to questions being due?
 - *Yes, 6/7/19 is the due date for questions. The actual due date for submittals is **Tuesday, June 11, 2019, 4:00pm EST**. RFP due date has been corrected on the website.*

- 2) Can you supply the current Hauler and the current Pricing?
 - *Not available*

- 3) Do the 8-yd trash compactors belong to EVMS?
 - *No, the compactors belong to and are serviced by the current recycling service supplier.*

- 4) At Lewis Hall, the pricing schedule says that it needs to be emptied once before 8 am and once after 2pm. Does this mean both 8-yds are serviced 2x a day?
 - *Services for that location are needed once a day but every day*
