

# The Captain David Brown Aerospace and Medical Research Endowment

The Captain David Brown Aerospace and Medical Research Endowment was established to provide financial assistance to medical students at Eastern Virginia Medical School. The recipients demonstrate academic excellence and a spirit of exploration and service. The Endowment was established to assist EVMS students in their pursuit of a career in aerospace medicine and/or explorative medical research. The hope is that David Brown's life and achievements will be an inspiration to all future EVMS students.
