Title 38 United States Code Section 3679(c) School Compliance Form

38 USC 3679(c) requires the disapproval of courses if a public institution of higher learning charges out-of-state tuition and fees to covered individuals living in the state where the institution is located. While the U.S. Department of Veteran Affairs cannot compel an institution to charge in-state tuition and fees to individuals covered under 38 USC 3679(c), only those institutions charging in-state tuition and fees to covered individuals will maintain course approval to offer veterans education benefits under chapters 30, 31, and 33.

Your signature on this document attests that this public institution of higher learning charges in-state tuition and fees to uniformed services veterans and their qualified dependents covered under 38 USC 3679(c).
